Save the Date — Senior Executive Forum in Knoxville, TN — OCT 2022

Meeting Hosts: Kimberly-Clark
Location: Onsite at Kimberly-Clark's GBS Delivery Center
Dates: Monday, October 17 (Reception), Tuesday, October 18, and Wednesday, October 19
Theme: **Advanced Designs for GBS / Shared Services – What is Possible and Why it Matters**

Forum Highlights:

- Attendees to include senior executives at Peeriosity member companies with a mix of Accenture invited senior executives to enhance group discussions. Discussions will evaluate alternative designs and the ingredients necessary to influence scope and scale, including delivery options, specialized leadership roles, and staffing innovation hubs to nurture new ideas. We will also explore transition steps on the journey from stewards of transactional processes to being process owners, innovators, and change agents. What organizational structure works best? How do you build the plan to get sponsorship and funding? When is it necessary to be bold and move quickly and when are smaller incremental steps required?
- Opening remarks and keynote from Accenture. After Accenture's presentations, attendees will participate in interactive discussions featuring attendee experiences, with discussions facilitated by Peeriosity.
- A welcome reception on Monday, October 17, and a group dinner at a local restaurant on Tuesday, October 18 for casual networking will make the event an experience to remember. The meeting will conclude by 3:00 PM on Wednesday to allow for afternoon flights. The meeting location is conveniently located 20-minutes from the airport.

Space is limited. There is no cost to attend.
