

## Save the Date — Senior Executive Forum in St. Paul, MN — October 2018

- Host Company:** Ecolab Inc.
- Location:** Onsite at Ecolab Inc.'s Global Headquarters in St. Paul, Minnesota
- Dates:** Monday, October 15 (Reception), Tuesday, October 16, and Wednesday, October 17
- Theme:** **Creating a Shared Services Center of Excellence for Intelligent Automation**

### Forum Highlights:

- Exclusively for Senior Executives at Peeriosity member companies. With the rush to implement robotics and artificial intelligence solutions, selecting and managing solution providers and implementation partners, and ensuring coordination between process experts and IT, becomes increasingly complex as you move from a small pilot to large scale deployment. Creating an effective Center of Excellence is critical to setting priorities, managing diverse resources, and developing inhouse experts.
- Opening remarks and keynote from Accenture, followed by closed-door discussions with an emphasis on the actual experiences of attendees, discussing their insights and lessons learned related to this new and significant opportunity.
- An overview to the Shared Services journey at Ecolab Inc., a \$13B global leader in water, hygiene and energy technologies and services, with a drill-down discussion on one of their hot topics - improving the forecasting process for working capital.
- A welcome reception on Monday, October 15, and a group dinner at a local restaurant on Tuesday, October 16 for casual networking will make the event an experience to remember. The meeting will conclude by 3:00 PM to allow for afternoon flights. The meeting location is a quick 19 minutes from the Minneapolis-Saint Paul International Airport.

Space is limited. This event is for Peeriosity members only, with no cost to attend.
